Dear Sir,

On behalf of the Parachute Training School I wish to thank you for the interesting and informative presentation provided by yourself during the Commanding Officer's Stand-down Day at the Parachute Training School at Nowra.

Your presentation highlighted a number of financial issues faced by members of the Australian Defence Force and allowed for the correct evaluation of personal finances by the members of the Parachute Training School.

Your time and effort involved in this presentation is greatly appreciated by the unit.

I look forward to continuing the close working relationship between the ADF Financial Services Consumer Council and the Parachute Training School.

J.A. RYAN, BM
Lieutenant Colonel
Commanding Officer
