Daniel,

I would like to reiterate MAJ Simmonds comments.

Whilst I could not attend, I have had a number of personnel report to me informally and unprompted, that they found the session to be highly informative and well worthwhile.

Thanks,

Andrew

Dear Daniel,

just a short note to thank you very much indeed for coming up to Brisbane and presenting to us last Thursday. You presented in a thoroughly professional and compelling way thus ensuring something in your presentation for all levels and interest levels. I for one learnt much, and have accessed ADFCC web site with regard the budget calculator tool contained within.

Once more, thank you for your time and I look forward to seeking your services again early next year in my capacity as second in command at the School of Army Aviation, Oakey.

All the best.

Peter
